

Renaissance Privacy Curtains

RTS

Features:

The swiveling telescopic arms allow for a screening system that's only there when it's needed. When finished, simply push together and turn toward the wall to restore your room to its usual appearance. Designed to be easy to clean and low maintenance.

- Low maintenance privacy screen system, allows you to push together the telescopic arm and turn toward the wall to restore the room to its normal appearance
- Versatile product: can be used as a screen or partition
- Constructed of high-quality anodized aluminum, glass-fiber reinforced synthetic materials and stainless steel
- Curtain rings included with telescopic arms In case of excessive strain, curtains are released automatically from eyelets
- Easy to clean
- Telescopic arms, wall holder, curtain rings and curtain fabric available in various colors to perfectly fit your decor

Curtains:

- 100% Polyester
- Permanently antibacterial, antiviral, and flame-retardant
- Acoustic properties
- Washable at 60 degrees Celsius
